I don't have an instructor available, so the clear photos, easy to understand instructions and straight forward approach has been very important to answering my questions and teaching the techniques needed for making beautiful lace.2 of 2 people found the following review helpful. Love it!By leslie b.Great basic book for learning the craft of bobbin lace. Good directions and illustrations are very helpful. Thank You so much.17 of 17 people found the following review helpful. a great introduction to learning the art of bobbin laceBy Heathere Booth Cericola(HBCericola@worldnet.att.net)If you are just beginning to learn or would like to learn bobbin lace on your own, this is the book for you! Rosemary has explained the basics very well and progresses quickly to more advanced steps right away. Complete graphs, including circular graphs are in the back section for designing your own lace.
