From Houghton Mifflin : An Island Garden Daybook before purchasing it in order to gage whether or not it would be worth my time, and all praised An Island Garden Daybook:

1 of 1 people found the following review helpful. The perfect book for a gardener!By KateBeatiful and inspiring book. With Ceila's poetryand Childe Hissam's water colors it is the perfect guift for any gardener!

A pretty little daybook; each page contains an excerpt from Thaxter's Island Garden and is Decorated with Childe Hassam's origianl design.

About the AuthorAbout the time the facsimile edition was first published, Celia Thaxter's garden was restored by volunteers according to the plans noted in this book. It is open to visitors through arrangements with Cornell University's marine laboratory on nearby Star Island, off the coast of Portsmouth, New Hampshire.
