For months I searched the web for angel themed origami only to find the most complex. Today after only a few hours of practice I can make some very cute angels for kids. People at work have enjoyed them so much I get stopped by other co-workers who want one made for their desk. If only I had this book when I was single and dating... LOL. Great pictures. Challenging for the experienced but easy and instructional even for the novice. Get this book! 0 of 0 people found the following review helpful.

Disappointing By Eva from SCI have some experience with origami paper folding, but I found the instructions in this book not in keeping with traditional folding techniques. There seemed to be missing steps in most of the instructions. Although the book itself is beautiful, the papers supplied were dull colored. None of the rich colors shown were represented. I was very disappointed with this purchase. 0 of 0 people found the following review helpful. Good book for the "beginner/intermediate" level range By michael bloomquist Great price. Good range of difficulty levels.

An angel crafted from paper can be delicately beautiful. What a wonderful way of conjuring up angelic powers for

yourself - as permanent decoration, for festive occasions or as a memorable gift. Including 15 sheets of origami paper and detailed instructions, as well as inspiring photographs, this book equips readers to make 15 different origami angels. Origami is perfect for anyone interested in mindful crafting---creative projects as a route to relaxation. The book offers something new both to angel enthusiasts and to the many fans of origami worldwide. The author, a renowned origami artist, begins by explaining the spiritual dimension of origami, showing how this meditative, stress-releasing practice connects with Zen principles in awakening the possibilities of paper. He describes basic origami techniques before presenting 15 projects, which progress from simple angels suitable for beginners to more complex 3D figures, so that the reader gradually builds up their level of skill and experience. Each project comes with clear step-by-step artworks and photography to help the would-be origami artist. The angels include bringers of peace, hope, healing and good fortune, as well as those with practical uses such as a bookmark. Uplifting quotations and superb photography will inspire all those wishing to use their completed angels for meditation.
