Jayne Netley Mayhew, Nicki Wheeler : Animals in Cross Stitch before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Animals in Cross Stitch*:

0 of 0 people found the following review helpful. Good hunting
By Customer
Good representation of African wild life. I intended to make some from this book;

Black and white charts would be better but once you get use to the color charts it's still slow but overall not all that bad
0 of 0 people found the following review helpful. Five Stars
By dorisrogers
Great book

A collection of animal designs in cross stitch, for both beginners and experienced needleworkers, ranging from field mice and ducks to humming-birds, parrots and tigers. The projects are illustrated in colour, and step-by-step

instructions are accompanied by detailed colour-charts.
