Joel Stern : Animated Origami Faces (Dover Origami Papercraft) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Animated Origami Faces (Dover Origami Papercraft):

0 of 0 people found the following review helpful. Another way to do origami. By ?? It will fit perfectly in my art class -- a wonderful fun way to decorate my journal. The faces are amusing. 1 of 1 people found the following review helpful. Basic, simple to make animations. By DonB! When making simple origami items for kids, I always like items that have some animation to them. This book meets that need very well. 95% of the faces, or animations, taught in this book can be folded in less than 5 minutes, and that's good. Yet each one encompasses different forms of movement and expression, and THAT'S GOOD also. Everyone that I have made one of these figures for walks away still playing with it and enjoying the creativity of the souvenir. Plus, this book is so inexpensive, you just can't go wrong with it (unless you're looking for an 8-legged underwater sea creature that devours the entire submarine and burps when it's

done. I didn't find that one in this book).Buy it, use and enjoy it. I do.

Blending the art of paperfolding with the magic of animation, this fun and fascinating book will help origami enthusiasts at every skill level create twelve delightful faces filled with movement and life. Using ordinary letter-size paper, anyone can make lively three-dimensional faces with blinking eyes, snapping jaws, and wiggling ears: Talking Bird Masked Super Hero Blowfish Elephant Dog Monkey ...and more!With this simple method of paperfolding, no tools or glues are required. Just follow the easy step-by-step diagrams, accompanied by tons of helpful tips on technique, and crystal clear illustrations. An inspiring way to create homemade masks, this unique guide also includes suggestions for creating your own movable models, letting crafters mix and match features to invent new and unusual origami species!
