**Wayne Winterrowd : Annuals for Connoisseurs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Annuals for Connoisseurs:

This inspiring and practical introduction to the sometimes overlooked world of annual flowers examines a wide range of annuals, including classic favorites as well as new gems. In-depth plant portraits accompany inspiring and practical recommendations for appropriate maintenance, as well as the special needs of each featured flower. 75 full-color photos.
