Martin Storey : Aran Knits: 23 Contemporary Designs Using Classic Cable Patterns before purchasing it in order to gage whether or not it would be worth my time, and all praised Aran Knits: 23 Contemporary Designs Using Classic Cable Patterns:

0 of 0 people found the following review helpful. This is a fantastic book of interesting modern Aran patternsBy Karin SingletonThis is a fantastic book of interesting modern Aran patterns. The instructions, though, could be clearer. I would have wished for pattern charts and complete measurement information for the finished pieces. This is the reason why I did not give 5 stars.1 of 1 people found the following review helpful. I want to knit almost everything in this book.By loves musicI saw this book in the book store and checked it our from our local library. I liked it so much that I bought this book.I want to knit almost everything in this book! Another reviewer suggested that there are too many shrugs and boxy projects, but I have to disagree. There are shrugs (which I want to knit) but there are plenty of small projects too. Vsets, hats, fingerless mitts, and a too cute purse.1 of 1 people found the following review helpful. awesome bookBy Naomij1966There is nothing quite like opening a new book especially one that holds so many

different lessons. After learning from the dvd format I am now comfortable trying it all. I love this, it covers so many different techniques and they are all relatively easy to follow. The road to discovery is wide open to anyone who is inclined to learn this craft.

Gorgeous cable knits with a contemporary twist. Cables and other traditional Aran patterns are perennially popular with knitters, as not only do they look great but they are interesting patterns to knit. Well-known Rowan Yarn designer Martin Storey adds a modern twist to these classic patterns in this beautifully photographed collection of desirable wearables and accessories. The designs have a pared-down contemporary simplicity and soft color palette that is sure to appeal to knitters of all ages and different levels of experience. Featuring a versatile range of garments and accessories, including shrugs, sweaters, hats, scarves, mitts and more--all made in natural yarns from Rowan that are cozy and inviting. The twenty-five patterns range from relatively simple to challenging--something for every knitter to enjoy!

Rowan's resident classicist marries traditional texturing with modern fibers and more contemporary silhouettes, to sleeker yet still cozy effect.... Storey's garments deliver depth and beauty.... If ever a set of garments could inspire a knitter to hop the pond, this is it. Yarn Market News Aran knitting is perpetually popular, and Storey's collection has broad appeal thanks to the wide variety of designs. Library Journal This book is a good one for knitters new to cabling, or anyone who appreciates good design with classic cables. The designs have just enough creativity to make them interesting. Kangath Knits blog About the Author MARTIN STOREY is the author of Nordic Knits, Classic Knits for Real Women, and Classic Knits for Men and the coauthor of Knitting Goes Large. Renowned for his truly elegant knitwear designs, he worked for the trendsetting company Artwork after college and since then has been a major force at Rowan Yarns, designing for their Classic Range.
