4 of 4 people found the following review helpful. Exceptional flower arranging book By Patti MI love this book. It gives very detailed step by step directions that even a novice can follow. There are also beautiful step by step photos. The book shows you the tools you will need and photos and names of commonly used flowers. This is one book that you will enjoy reading and looking at the pictures. Very inspirational. 7 of 7 people found the following review helpful.

Arranging silk flowers
By Kelly
I'm not as familiar with silk floral as I primarily work, and was taught with fresh. It is quite a difference between the two. This book allowed me a great understanding of silks and gave me amazing ideas for new designs.
