Alastair Duncan, Georges De Bartha : Art Nouveau and Art Deco Bookbinding: French Masterpieces 1880-1940 before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Nouveau and Art Deco Bookbinding: French Masterpieces 1880-1940:

3 of 3 people found the following review helpful. BreathtakingBy Johnny T. TownsendI love books that show photographs of beautiful book covers, and this book is one of the best. I generally favor the Victorian era, and art deco is radically different, but these photographs simply take my breath away. You can't judge a book by its cover, but you can judge the covers themselves, and this book depicts some of the most glorious covers ever produced. If you like beautiful things, this book is a must.0 of 0 people found the following review helpful. Five StarsBy CustomerVery nice book!0 of 0 people found the following review helpful. Five StarsBy Javier F.wonderful book

First edition. The first major study of this fascinating period in French bookbinding. After giving a general overview, this study examines the work of over forty of the finest binders of the period. A brief description of each binder is given along with full color illustrations of their work. Detailed biographies and bibliographies are located at the end of the book. A nicely produced book which will provide inspiration to anyone who executes or appreciates fine hand

bookbinding. Jacket has tear at head of spine and one corner bumped. 200 pages. cloth, dust jacket.. 4to..
