She loved it and immediately folded the pages. She said it was easy. Since then I have bought the "LOVE" book for a 50th anniversary gift, and started folding and it is very easy. I've also bought the "Read" book on pre-order. Just for me. 0 of 0 people found the following review helpful. fun to do makes a great gift By Customer If you want to have fun do yourself a favor and buy yourself art folds they are so relaxing and its a great gift 0 of 0 people found the following review helpful.
