Rediscover the joys of Robert Louis Stevensons Treasure Island, one of the greatest adventure stories of all time. And then, when you are done reading, follow our simple page-folding instructions to transform this book into a permanent

work of paper art. As you fold, the pages evolve into a sculpture of a glittering sun. An ArtFolds book is a hardcover book that is transformed into a unique paper sculpture merely by folding pages, based on our exclusive, patent-pending instructions. The process is fun and easy and takes surprisingly little time, making it as appropriate for children as it is for adults. Each Classic Edition, with its embossed cover and color-edged pages, is based on a much-loved classic work of fiction. ArtFolds: Sun, readers will enjoy Robert Louis Stevenson's *Treasure Island*. Fifteen men on the dead man's chest Yo ho ho, and a bottle of rum! The inspiration for countless pirate tales, *Treasure Island*, written in 1881, tells the spine-tingling adventure story of 13-year-old Jim Hawkins and his quest to claim long-hidden pirate gold before the pirates get to it themselves. In possession of a pirate map, on which X marks the spot, Jim brings readers along with him as he sets sail on the *Hispaniola*, braving mutinies and murders as he seeks the riches that will raise his family out of poverty. After reading, you can fold the book into a lovely sculpture of a sun, featuring beautifully curving rays that will warm your spirit upon every viewing. Like the other ArtFolds Classic Editions, *Treasure Island* has an embossed cover and pages featuring attractively colored edges. Level: Advanced, 212 folding pages
