Frothy delightsBy Robert JonesI still have a treasured copy of an early issue, and won't let it go. Excellent photography of some of the Far East's most beautiful girls in the most arousing lingerie, with some nearly nude. Erotic, yes. Porn no. Thoroughly recommended - if you can find one

This is the SECOND ISSUE of Asian Lace. This issue is 100 pages long and features 10 full pictorials of beautiful Asian girls in their lingerie (or, at least pieces of it). There is no date on it, but I seem to remember it being from around the early to mid 1990s.
