**Tim Shackleton : Aspects of Modelling: Weathering Rolling Stock** before purchasing it in order to gauge whether or not it would be worth my time, and all praised **Aspects of Modelling: Weathering Rolling Stock**:

0 of 0 people found the following review helpful. Tim explains how he approaches the amazing models he creates with a variety of mediums  
By John F. Cizmar  
Tim explains how he approaches the amazing models he creates with a variety of mediums: oils, powders etc. with a discussion of equipment and various techniques. He has an artist eye allowing him to capture the look and "feel" of the prototype. You may need an interpreter as some of the British English terms are confusing.
