Pamela Miller Ness : Assisi Embroidery: Technique and 42 Charted Designs (Dover Needlework) before purchasing it in order to gage whether or not it would be worth my time, and all praised Assisi Embroidery: Technique and 42 Charted Designs (Dover Needlework):

Here, though, you outline the figure and fill in the background. I might give this 3 stars but, after all, it's one of the ubiquitous Dover Needlework Series books and is very cheap. A key to Assisi is the outline stitch which sometimes invades the inner part of the figure for clarity of the design. None of these projects do anything for me but if you want an easy start, here it is.
