**Ginnie Thompson : Audubon Birds in Cross Stitch (Dover Needlework)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Audubon Birds in Cross Stitch (Dover Needlework):

3 of 3 people found the following review helpful. Beautiful BirdsBy LynnThese are beautiful and accurate designs of many common bird species from across the USA.7 of 8 people found the following review helpful. really nice bird patternsBy kimberly elaine owensI received this as a gift and loved it. There were plenty of designs to get started on but it was hard to figure out which one to do first. I suggest this book Highly for anyone who likes Birds and who needs a great book.
