Aunt Ellen : Aunt Ellen's Tatting Handbook: A Treasury of Techniques and Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Aunt Ellen's Tatting Handbook: A Treasury of Techniques and Projects:

0 of 0 people found the following review helpful. Awesome OldyBy Helen NelsonI love all the old style designs and this is a good collection. I'm pleased to own it and can not wait to try out the designs within.0 of 0 people found the following review helpful. Not as new as it says it was.By 1st time buyerI was very disappointed in the appearance, it had stickers and things marked out and supposedly this was a new book that had not been used. It was yellowed, more than what the picture shows. Not worth the price I paid for it.5 of 5 people found the following review helpful. Aunt Ellen's Tatting HandbookBy Pat FriemanThis is a very good beginning tatter's handbook. It includes good diagrams and instructions and an excellent variety of patterns - everything from small motifs to collars.

Book by Ellen, Aunt
