**Andrew Yoder : Auto Audio** before purchasing it in order to gage whether or not it would be worth my time, and all praised Auto Audio:

Best-seller gets you the car stereo sound system you want! Why pay high prices for a shop to install or maintain your car stereo when you can have the satisfaction of doing it better yourself? Auto Audio: Choosing, Installing, and Maintaining Car Stereo Systems, Second Edition, by Andrew Yoder, provides all the information you need to supercharge your ride with top-quality speakers, amplifiers, head units, equalizers, signal processors, changers and antennas not to mention filters and crossovers, wire, cabling, connectors and transmitters. And once your system is in, you'll see how to troubleshoot spot problems and service your components so they deliver pristine highs and heart-stopping lows for years to come. This new edition also shows you how to make seamless fiberglass speaker enclosures

and panels for your car...protect your audio investment with a good security system...check out custom installations...and more.
