More stencils than I expected, will be in for making autumn holiday decor.Gave 3 stars because the item was poorly packaged received damaged along the lower spine. As it didn't affect the stencils inside, I didn't think returning it would be worth the bother.0 of 0 people found the following review helpful. ... themed craft night for someone's birthday and couldn't be happier!By Kay S. BermudezBought this to do an autumn themed craft night for someone's birthday and couldn't be happier!1 of 1 people found the following review helpful. I love this stencil book!By ANNETTE PUIGAdorable group of stencils. I love how the book came with little folders to put the stencils in once you have used them. The plastic they are made of is nice and sturdy not flimsy either.

Maple leaves, pumpkins, owls, apples. . . autumn is in the air! Mix and match 20 seasonal stencils to create a dazzling array of scenes. Simple step-by-step instructions show children of all ages how to spruce up windows or decorate

wrapping paper with their seasonal favorites. A crafter's delight!
