And baby bibs for friends and co workers since early 00s. Lots of great designs for the tiny bibs. And some charts for a few bigger bibs. But the first chart I go to use. "Fishes" has chart mistake. The graph uses a half filled in circle. The color chart does not have the symbol. But uses a squared off bow tie for the color. I don't know if this is a one off printing mistake or not. Stitches used in book full x, quarter stitch, back stitch and French knot. 2 of 2 people found the following review helpful. easy to follow alsoBy SusanDarling designs for baby bibs.....easy to follow also!
