Susie Johns : Baby Booties and Slippers: 30 Designs to Stitch, Knit and Crochet before purchasing it in order to gage whether or not it would be worth my time, and all praised Baby Booties and Slippers: 30 Designs to Stitch, Knit and Crochet:

2 of 2 people found the following review helpful. Lovely selection of designs well explained. By Catherine Hall Disclaimer: I have not tried any of the designs yet but have thoroughly reviewed the book and the directions. I have more than gazed pictures but those alone are wonderful. I have experience in all three crafts. This is a British publications so yarn weights and crochet directions are given in the typical UK terminology. There are conversion charts in the back of the book. The yarns used are likely not available though with the conversion tables you should be able to make very nice substitutions. The book is paperback but it is a very sturdy paperback. The designs are delightful and there are plenty of designs for newborn to 36 months. The sewing projects tend to have photographic tutorials. Several of these designs are lined. Sewing patterns are included on folded sheets safely tucked into a pocket

in the back cover. These designs include patchwork, embroidery, open toe, boots, and a puppy dog... Fabrics include suedette, leatherette, wool felt, crisp cottons, gingham, fake fur... The two wool felt and the puppy dog front shoes are unlined and would likely make up very quickly. The crochet patterns as mentioned above are written in UK terms. They include a very vintage crochet t-strap bootie, a watermelon high top bootie, cowboy boots, cute teddy bear front slippers, an athletic style shoe, a mary jane with a crochet top and soft leather sole... The knitting patterns are similarly varied with some animal fronts, "ballet" slippers, adorable elfin boots, a couple snug fit booties, criss cross strap, and high tops. Basic sewing, embroidery, crochet, and knitting techniques are in the back. Several projects call for nonslip soles and there is a tutorial in the back for add on soles and baby-toddler sizing. This is a great collection of patterns in a very nice quality format. 0 of 0 people found the following review helpful. Five Stars By VicGreat ideas for little booties for people who are handy with their hands. 2 of 2 people found the following review helpful. Lots of cute designs, good color pictures and thorough instructions. By Rachael Lots of cute designs, good color pictures and thorough instructions. Pattern pieces are easy to identify and have different colored lines for different sizes. I borrowed this book from the library several times and finally decided to buy my own copy.

Whats cuter than baby toes and toddler piggies? The adorable handmade booties and slippers that cover them! This precious collection of 30 baby bootie and slipper projects is packed full of gorgeous designs, adorable styles, and cutie-pie looks. From newborns to toddlers, theres plenty here to keep those ten tiny pearls warm, cozy, and in style. Whether you want to make delicate and classic booties or a pair of funky, fun slippers, Baby Booties and Slippers has just what youre looking for to treat that special child in your life. This treasure trove of how-to information includes: 30 simple-to-make, cute-as-a-button bootie and slipper projects you can stitch, knit, or crochet Accurate sizing information and templates Beautiful illustrations with sketches and swatches to bring each project to life A new baby or toddler is the perfect excuse to get creative and what could be a more delightful gift than an adorable handmade pair of booties or slippers?

About the Author Having studied Fine Art at the Slade School, London, Susie Johns began her publishing career as a magazine and partworks editor before becoming a freelance writer and designer. She is the author of more than 30 craft books on a range of subjects including knitting, crochet, papier mache and embroidery. Susia has also contributed to a number of magazines and has made several television appearances demonstrating various crafts. She particularly enjoys art and craft activities that involve recycling and reinventing. Susie is a qualified teacher and runs workshops in drawing and painting, knitting and crochet, embroidery, and 3D design. She is the founding member of the East Greenwich knitting group, 'Knitting Night at The Pelton'. Read her blog at: www.susieatthecircus.typepad.com.
