Be ready to re-write some instructions in this book of very cute baby patterns...By DeborahDarlingCute patterns, but be prepared to re-write some instructions. I grabbed needles yarn as soon as this book arrived. The very first pattern in the book is a darling lace baby bonnet. So here's an example of the problem: C/O 95 stitches. Lace chart: 10 stitches. Instruction: repeat lace chart across. Hmmm. Published first in France by Marie Claire, this book has lost something in translation.2 of 3 people found the following review helpful.
