From M Q Publications : Baby-Knit Kit: Everything You Need to Create the Perfect Gift before purchasing it in order to gage whether or not it would be worth my time, and all praised Baby-Knit Kit: Everything You Need to Create the Perfect Gift:

Even if you have never knitted before, this is the perfect place to start. The booklet contains the full pattern and instructions to make a toy duck. How-to-knit steps are clear and detailed; from how to cast on, how to cast off, and everything else that you need to know. The adorable kit contains everything to make this cuddly toy including yellow, orange and black knitting wool, satin ribbon, a pair of knitting needles, a sewing needle and a tape measure.
