Donna Wasserstrom, Leslie Pina : Bakelite Jewelry: Good, Better, Best before purchasing it in order to gage whether or not it would be worth my time, and all praised Bakelite Jewelry: Good, Better, Best:

0 of 0 people found the following review helpful. Bakelite Best!By penney cExcellent presentation of the material. Great pictures of beautiful jewelry to drool over.0 of 0 people found the following review helpful. Five StarsBy steven c headleyno thanks0 of 0 people found the following review helpful. It is a nice book but I had to finish cutting out 4 ...By Barbara HenryIt is a nice book but I had to finish cutting out 4 different pages that were still connected together.

Bakelite jewelry was popular during The Depression because it was decorative, fun, and very affordable. Today, it is sought after and worn for the same reasons-except its affordability is rapidly changing. This book is designed to show off an extraordinary variety of this wonderfully colorful, always appealing, and sometimes startling jewelry, along with a sample of other objects through 420 color photos. It shows how to rate quality-good, better, best-and answers

the many questions asked about Bakelite, from dealers' secrets to historical facts. The photos, the detailed information, and the indispensable price guide will provide beginner and connoisseur collector alike with all that is needed in the hunt for Bakelite.
