**Stanton Gill, John Sanderson : Ball Identification Guide to Greenhouse Pests and Beneficials** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ball Identification Guide to Greenhouse Pests and Beneficials:

0 of 0 people found the following review helpful. Great study bookBy The gardenerGreat book to use in my Integrated Pest Management class.

A comprehensive guide to identifying arthropod pests and their natural enemies on crops grown in United States greenhouses, this book contains over 450 colour photographs of pests and the damage they do. It is an outstanding guide for identifying unknown or unwanted pests.
