**Agis Neugebauer : Battlefield Evolution: Pacific War** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Battlefield Evolution: Pacific War:

Designed for Battlefield Evolution: World at War, Pacific War brings a whole new theatre to the game. With fully featured Japanese, American and British armies spanning both the early and late war periods of the Pacific theatre, this supplement features army lists, units and new rules to fully reflect warfare in the Pacific during World War II.
