Covers the Subject WellBy ShruboakerThis book is a good basic book that will help someone new to bead crocheting to self-teach this skill or for someone who wants to refresh knowledge about various techniques. The photos are clear and easy to follow as are the directions for specific projects.0 of 0 people found the following review helpful. Helped me learnBy Barbara OlsenI taught myself how to do this! Thank you so much. It also helped me to start other projects that I may not have done without it.0 of 0 people found the following review helpful. happyBy cristie hendricksonHaven't used it yet , but it looks realy good. Read through some of the patterns. Their quite clear, looks good.
