Lots of pattern books only have one or two patterns I would actually wear. I would wear all but two or three of these patterns. Good photography, good diagrams, and good instructions. What more could you ask for? Great job! 5 of 5 people found the following review helpful. The most beautiful bracelet is on the cover By Leanna525 The most beautiful bracelet is on the cover. The others are very pretty too. Patterns are not very easy to follow, more for a very advanced header. 5 of 5 people found the following review helpful. Must have bracelet book By Ladyehawke very helpful. Details well defined. Pictures are precise. Great price. Love what I call Vintage Look bracelets found in this book.
