discount on the price. This book couldn't be more basic. If you've seen any tutorials, it might be too basic for you. You get a very general over-view. 0 of 0 people found the following review helpful. Two Stars By Customer Instructions not included. 0 of 0 people found the following review helpful. A very helpful book By Alicia de las Pozas It is very helpful to learn some technics about making jewelry. This book with the other two are very good for people interested in this work

Create beaded necklaces, bracelets, and other jewelry with a professional look and finish. This delightful beginners guide presents step-by-step instructions and helpful illustrations that walk you through the basics of making beaded jewelry. You'll learn how to use various pliers, crimpers, and wire cutters, and choose the perfect beads and string for your projects. In no time at all, you'll be stringing together your own pieces, complete with clasps, rings, and cones.
