Suzanne McNeill : Beaded Miniatures Menagerie: Cute Clever Animals ... Popular Pets, Zoo Animals, Birds, Bunnies and More! (Design Originals) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beaded Miniatures Menagerie: Cute Clever Animals ... Popular Pets, Zoo Animals, Birds, Bunnies and More! (Design Originals):

4 of 4 people found the following review helpful. Bead Sculpting for Teens By Leslye Schoenhuth This is a fun book for teaching teens and pre-teens to create bead sculptures. It provides simple and Creative designs that engage the interest of the kids. They have a small sculpture to hang in a window when they are done. This is especially good for short attention spans of the pre-teens. Would recommend this for those learning Bead Sculpture. 0 of 0 people found

the following review helpful. A great book on beading a wide variety of items for adults. Not for children as the instructions are somewhat difficult. By Carolalev A great book for adults on making beaded creatures. This is not a children's book as the instructions are somewhat difficult to decipher. It has a wide range of ideas for many types of beaded furniture, clothing, boys and girls as well as amusing animals. 2 of 2 people found the following review helpful. Great By Crystal Awesome patterns that are not available for free online and this is great for anyone who is avidly into beading.

Making these charming animals is so addictive that you will want to bead an entire zoo. Create zipper pulls, key chains, pendants, and gifts.

About the Author Suzanne McNeill is often known as a Trendsetter for arts and crafts. Dedicated to hands-on creativity, she constantly tests, experiments and invents something new and exciting. Suzanne is the woman behind Design Originals, a publishing company dedicated to all things fun and creative. She is a designer, artist, columnist, TV personality, publisher, art instructor, author and lover of everything hands-on. She was the 2011 winner of the Craft and Hobby Association's Industry Achievement Award.
