Five new beaded ornament covers are included with detailed step-by-step photo illustrated instructions in full color. Create beautiful ornaments for your own holiday decor or dazzle your friends and family with heirloom quality gifts to treasure. Each design is created with a variety of seed beads, pearls, crystals, and glass beads readily available at most local bead stores or online. The only tools needed are a needle, thread and scissors. The ornamental globes are

available wherever holiday ornaments are sold. The Getting Started chapter includes advice for the beginner or intermediate beader on bead and ornament selection, keeping a proper tension, selecting needles and thread, and basic stitches used frequently in ornament covers. Appropriate for all levels of beading experience. If you can thread a needle and like detail work, you can make ornament covers.
