So easy to understand and the patterns are beautiful.0 of 0 people found the following review helpful. Five StarsBy monicaLove this bookUpdate- just finished the ornament in the middle on the front cover. Well written, easy to follow instructions. Very pleased with the results!0 of 0 people found the following review helpful. Beautiful patterns.By Cindy WilsonLove the patterns. Can't wait to do them.

Beaded Ornament Covers Book Three offers five new designs. Each design is fully illustrated with color photos guiding you step by step through the process. These designs are a bit more detailed, so if you have never done ornament covers before you might want to start with Beaded Ornament Covers; A Beginner's Guide. Beading

ornament covers can be addictive! But they look wonderful on the tree and make great gifts for those special people on your list. Look for other books by this author including our other ornament books, and a series of peyote stitch books. More pattern books coming soon!
