Carlita DelCorso : Beading Basics 2: Advanced Techniques for Adding Beadwork to Fabric before purchasing it in order to gage whether or not it would be worth my time, and all praised Beading Basics 2: Advanced Techniques for Adding Beadwork to Fabric:

0 of 0 people found the following review helpful. I liked the book because the projects and the different techniques ...By Hilda MoralesI liked the book because the projects and the different techniques are well explained, as well as having very good information regarding fabric and bead sources. It has some project designs which are ok, not my aesthetics. The quality of the pictures could of been better.

Created for novices and those individuals new to the world of hand-beaded fabrics, this is the second instructional book by Carlita on additional techniques used to bead on lace or embellish fabric and garments with custom beading. If you've ever wanted to embellish a sweater or blouse or rejuvenate your favorite little black dress, or learn how to add beaded embroidery to any fabric, this book will provide you with the beading techniques to do so. Step-by-step guides are provided as well as information about tools, materials, supplies and work area plus sample designs and patterns.
