**Carole Rodgers : Beading Basics** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beading Basics:

16 of 16 people found the following review helpful. Ideal and sympathetic beginner's book.By RoslynThis book is so encouraging for the complete beginner ! The author mainly taught herself from books, and so she understands what it is like.Detailed instructions to graded projects help to defeat the "Can't" factor !In addition, information about the various materials and tools used is geared to the beginner, who wants information, but not irrelevant excesses of detail !I would like to say "Thank-you" to the author !12 of 12 people found the following review helpful. Beading Basics is a hit!By Aurora RoseI like it...good explanations, great projects and pretty colors too! Most of the direction is printed, not hands on...but is very clear...this is a book you should have in your collection and I'm glad I do. The designs are creative and ignite my imagination, bringing new ideas/designs.I bought it used and it came like brand new... Love that! Its a keeper!1 of 1 people found the following review helpful. Not for BeginnersBy PatThis book is

definitely not for beginners. I couldn't understand most of the instructions given, plus I didn't like the designs anyway. It was basically worthless to me. I bought it from Goodwill and I'll probably donate it back to Goodwill soon. If you're experienced and like ugly jewelry, this is the book for you! =)

Discover the basics of beading and beyond! If you've been tempted by the beauty of beaded jewelry and home decorating pieces, but second guessed your abilities to learn the skills needed to create such tantalizing works, fear no more! Beading Basics reveals all that's necessary for creating everything from a simple single-strand necklace to a more intricate netting stitch woven wind bottle covers. You'll discover: \* Essential information for choosing the right beads, supplies and tools, plus tips and techniques for working with wire, weaving on a loom and creating various woven chains. \* Easy-to-follow instructions with more than 175 how-to illustrations and 230 beautiful photographs showing every detail needed to create 40 gorgeous projects. \* An inspirational gallery of designs featuring the works of 11 of today's top beading artists. Beading Basics is the one resource you need to get you on the path to becoming a talented bead artist.

About the Author Carole Rodgers is an expert in the field of beading, having designed and written needlework, craft and beading articles, and six books in the past 18 years. She is author of Beaded Jewelry with Found Objects.
