4 of 4 people found the following review helpful. I love Crystals! By Marlene Morris Made a bracelet right away after receiving the book and it turned out perfect. The only problem is that I have to make another one now since the bracelet ended up being a gift to someone else! Instructions were good and easy to follow. 0 of 0 people found the following review helpful. easy to follow By Barb Wolf Well written, easy to follow. Has a project for all levels. 1 of 1 people found the following review helpful. Not what I expected or hoped for. Many of ... By tgiff101 Not what I expected or hoped for. Many of the projects involve wire wrapping and shaping with little beadweaving.
