Robynn El : Bearly Historical (Milner Craft Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bearly Historical (Milner Craft Series):

Here are the Beartles, Beareo and Juliet, Scarlett O'Beara: stitch your favorite real and fictional heroes into cleverly constructed bears. The fun begins with faces you sew into quilt designs. Then clothe them with distinctive costumes and pick settings from the Wild West to Hollywood--or try your own playful combinations. You'll find lots of unusual features, including how to employ hanging threads, beads, and backstitched backgrounds, as well as how to mix and

match borders to change the appearance of any character.
