Cindy Gorder : Beautiful Beaded Embroidered Fabric before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Beaded Embroidered Fabric:

Eye-catching beads of all types, lovely fabric thats stitched and embroidered, and stupendous projects: this collection combines all three, and will charm needleworkers looking for something new. All the basics are splendidly covered and illustrated here, from beading supplies to the necessary stitches to the care and cleaning of the finished item. What will really dazzle sewers and beaders are the quality and variety of the items they can make: a spectacular gift bag festooned with pearls, seed beads, and bugle beads; a range of pillows and place mats in a rainbow of colors; a quilted throw, customized with velveteen appliquis; and much more.
