Country Bumpkin : Beautiful Beaded Embroidery: 17 Elegant Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Beaded Embroidery: 17 Elegant Projects:

0 of 0 people found the following review helpful. Five StarsBy VicReally special pieces and samples for those who love bead work and embroidery combined.1 of 2 people found the following review helpful. book is mainly embroidery with beads for embelishment.By Sandra S.book is mainly embroidery using beads to embelish the items. I was looking for a book where the items were made with beads.17 of 18 people found the following review helpful. The variety of projects is appealing and unique.By Midwest Book ReviewBEAUTIFUL BEADED EMBROIDERY tells beaders with some experience how to make the next step in beading, creating professional-quality heirloom-style projects from slippers and sweaters to holiday decorations for the home. Seventeen patterns - full-sized - are accompanied by clear step-by-step direction in full color. The variety of projects is appealing and unique.

Beading is fast becoming one of the most popular crafting hobbies in the world. This fabulous volume presents 17 elegant and detailed beading and embroidery projects - from Christmas decorations, pillows and slippers, to cardigans, photo-frames and luxurious evening bags. "Beautiful Beaded Embroidery" features complete instructions that will help readers learn how to use various types of beading - including pearls, crystals, sequins and buttons. Also included are detailed descriptions of various techniques such as smocking, couching and piping that will enable readers to design and create ever more advanced patterns and projects.
