Isabella Lam : Beautiful Beadweaving: Simply gorgeous jewelry before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Beadweaving: Simply gorgeous jewelry:

2 of 2 people found the following review helpful. I loved everything about this bookBy B. BretterI loved everything about this book. I've made 4 of the projects so far and the instructions were very easy to follow and the pieces came out beautifully. I get compliments whenever I wear them. I can't wait for the next book my Isabella lam!1 of 1 people found the following review helpful. Designs will keep you busy for a whileBy A. LefevreLove this book. Instructions and drawings are easy to follow. Designs have enough bling to be interesting but not so much as to qualify them for "evening wear". Many books have just one or two designs that appeal to me, but I'm finding that with minor adjustments I can get most of the designs to fit my low-key lifestyle :) while my beading buddy can go full-on blingy!1 of 1 people found the following review helpful. Great Book!By RmclainI have really, really enjoyed working projects from this book. It has very easy to understand instructions with excellent diagrams and pictures to

follow along with the instructions. The projects in here are all really pretty too, I can't wait to make them all:-)

This book contains 25 gorgeous projects which focus on creating detailed, stitched jewelry. Isabellas original designs use common stitches such as peyote, herringbone, and right-angle weave and materials to make stunning wearable beadwoven jewelry. Her concise instructions incorporate step-by-step photographs that easily guide readers through the process of making necklaces, bracelets, and earrings. Additionally she uses materials that are easy to find: seed beads, pearls, gemstones, and crystals to make each piece unique.

About the AuthorIsabella Lam lives and works in Israel. She is a popular teacher at the BeadButton Show that is the largest consumer beading show in the world. Isabella has been published in numerous beading magazines in Europe as well as in the U.S. including Beadwork, BeadButton, and Bead Design. Fans can find over 100 different off-loom beading kits and tutorials on her Etsy shop. She lives in Haifa, Israel.
