Make buttons out of fabric, clay, beads and more! There are 25 designs to make with easy-to-follow instructions and step-by-step photographs accompanying every project. Buttons are not only practical additions to bags, jackets and other garments but they also make great fashion accessories all on their own. Starting with a detailed explanation for making each button, the projects span an incredible array of crafts including crochet, embroidery, knotting, felt and paint for embellishing your handmade beautiful buttons.

Crafters may not think of buttons as a medium for creativity, but Schmitz's original and easily customizable designs may change that. This book will be most exciting to crocheters who are interested in small-scale bead crochet. -
