Banar : Beginner's Guide to Fleece (Leisure Arts #4537) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beginner's Guide to Fleece (Leisure Arts #4537):

0 of 0 people found the following review helpful. Five Stars By Cynthia Easy to follow instructions! 2 of 2 people found the following review helpful. Easy projects, Helpful facts By Qchick Cute easy beginner projects, BUT the BEST part is that she tells you HOW to care for the fleece and work with it. Washing it, ironing etc etc. That was good info to know.

Why is fleece so popular? Here's the simple answer -- fleece is so easy to work with! You can leave the edges raw (or unsewn). It's completely washable. No sewing is necessary to make a perfectly respectable project. And these are just three reasons. You'll discover others, we're sure. This book has projects for just about everybody. There are 28 in all: blankets, hats, ponchos, scarves, pillows, a dog bed, and more. Most are no-sew, some require very little sewing, and

there are a few that are machine sewn. This complete guide explains fleece facts, tools, basic cutting and tying, fringing, curling, using Fleeces Pieces, fleece edges, embellishments, appliques, and afghan edges.
