Puts the WOW in your needlepoint projects.By Mary LaiuppaExquisite detailed historic examples of the height of needlepoint design. Charts for many included in the back. Wonderful reference.I've already made one into a chair cover and plan on doing another chair and several footstools.This is my go to book for unique needlepoint designs.1 of 3 people found the following review helpful. To few designs.By SY LeongA little disappointed with the few designs in this sampler.
