My grandchildren Love painting the shells they find on the beach. We were looking for more "painting" ideas without the need for glue guns, etc.0 of 0 people found the following review helpful. Great Shell bookBy Pattycakes1955This is a fantastic book and had many great ideas for crafting with shells. I was quite pleased with my purchase and can recommend this to all shelters.

Crafting with shells provides the opportunity to create truly unique pieces of art. When combined, shapes ranging from angels to animals emerge to embellish boxes, cards, frames, mirrors, unique pins, ornaments and magnets. The uses

are endless.
