Better Homes and Gardens : Better Homes and Gardens Herb Gardening (Better Homes and Gardens Gardening) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Better Homes and Gardens Herb Gardening (Better Homes and Gardens Gardening):

1 of 1 people found the following review helpful. Perfect book guide for a beginner with big dreams of creating an outdoor paradise. By SL SilverWell laid out book with great colorful pictures and easy to follow instructions. Exactly what I was looking for. I had to look through various other publications to find this one that works perfectly for a novice like me who dreams of making beautiful, colorful outdoor plant arrangements. Thank you, thank you! 1 of 1 people found the following review helpful. Excellent resource for both basic facts and creative inspiration By Penny

Lane This book is a fantastic resource and is filled with lots of information and creative ideas for growing herbs. If you are interesting in learning more about growing herbs, whether in containers or a garden, you will be glad you bought this book. The only problem with so much great advice is deciding what to grow! 3 of 3 people found the following review helpful. Great for any serious gardener By Kathryn Ver Brugge Unfortunately for me, this book is filled with so many good ideas that most of the spring will be spent building a herb garden. This book is not only a design book but also has suggestions on how to pair flowers and fruit with herbs to keep them all in good health.

Foolproof, step-by-step guide for starting your own fresh herb garden Nothing tastes better than foods made with fresh herbs from your own backyard. Now, in *Better Homes and Gardens Herb Gardening*, you'll find simple, comprehensive guidance on planning, planting, creating, and caring for your own beautiful and delicious herb garden. With 35 projects, including handy shopping lists and simple instructions, this book will help you keep your garden growing for years to come! Whether you want to begin a large backyard garden or a small windowsill set-up, this book will guide you through all the critical steps with innovative ideas, simple plans and easy directions. Features more than 575 gorgeous full-color photos, including step-by-step photos to guide you through important stages Offers 35 recipes for specific uses for herbs, such as homemade teas, spreads, potpourris, sauces, dressings, seasonings, and more Includes helpful seasonal-care charts and an encyclopedic listing of 145 herbs for easy identification and care Features an entire chapter of plant-by-number plans that are easy and simple, as well as tips from the *Better Homes and Gardens Garden Doctor* throughout With this beautifully photographed and easy-to-use guide, filling your home with fresh, aromatic herbs is easier than ever!
