Unlike other books that are all photos, this book included indepth information of every piece at the end of every chapter. This is a must for every diamond lover. Not to spoil the book but so many photos of regal jewelry it's insane. In fact, my professor, who is a world renown expert in Indian Art, is so impressed with the book she is having the library order a copy.1 of 1 people found the following review helpful. Gorgeous bookBy scooterI bought this as a birthday present for my girlfriend, who is in the jewelry business. She just plain flipped for it. It's incredibly beautiful and the photography (my hobby) is gorgeous.2 of 4 people found the following review helpful. beautiful photosBy Caroline Liebermanlove this booktells wonderful storiesand the photos...wow@ what amazing jewels!fabulous coffee table book to share with friends curious about anything from

India

This spectacular volume reveals for the first time an exceptional private collection of the most beautiful royal Indian jewels from the Mughal Empire to the British Raj to today. Written by renowned jewelry experts and featuring magnificent original photography by Laziz Hamani, *Beyond Extravagance* explores the centuries-long tradition of fine jewelry and art objects in India, to contemporary interpretations that continue to evolve today.
