Elena Dickson : Bibilla Knotted Lace Flowers (Milner Craft Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bibilla Knotted Lace Flowers (Milner Craft Series):

9 of 9 people found the following review helpful. Details, DetailsBy leslie of marylandI liked the book but the instructions need more details, and pictures of the details. These are very hard, not easy in the least and unless you can find exactly the same threads that they are made with in the book, they do not look like the pictures.2 of 2 people found the following review helpful. Excellent Turkish Oya BookBy LaoshuCompared with the other Turkish needle crochet books I have, this book is a lot easier to follow with clear drawings. I have already made a couple of the satisfactory flowers. I understood better on how to make a stem tube by this book. I recommend this book for learning the needle crochet "Turkish Oya".0 of 0 people found the following review helpful. Order arrived quickly and I'm enjoying the book. It ...By IngvildrOrder arrived quickly and I'm enjoying the book. It has fairly detailed instructions

on making needle lace flowers with many diagrams.

With *Bibilla Knotted Lace Flowers*, today's crafters can enjoy a beautiful form of lace making that originated in antiquity. Elena Dickson has modified and modernized the traditional technique, resulting in a series of stunningly realistic-looking and contemporary projects. She includes patterns for several blossoms commonly found in Australian gardens, all with detailed step-by-step illustrated instructions that ensure success for any lace maker.

About the Author Elena Dickson has been teaching knotted or Armenian lace for over two decades. In 1992, she created her own craft business, Elena's Knotted Lace. Elena has written several books, including *Knotted Lace in the Eastern Mediterranean Tradition* and *Mediterranean Knotted Lace* (both Sally Milner). She has conducted workshops for organizations such as the Embroiderers' Guild, Lace Guild, and doll and miniature groups, and also taught private classes throughout Australia as well as in the US including Seattle, Portland, Ithaca, NY, and St. Paul.
