Awesome, Some of everythingBy Mary B. IngramLove this book from the get-go. I had already had a brainstorm of an idea for my ornaments this year. But the angel in this book gave me the head and hair for my ornaments. I love that the book has a wide variety of projects from simply and whimsy to ornate and elegant. I recommend this book to ANYONE. I have had so much fun with the beading, I am a newby and love it.0 of 0 people found the following review helpful. BeautifulBy shelly grizzelSome pretty easy and simple projects. Using supplies I would not have thought of. Good luck to all bead lovers.
