Kathy Norris : Big Book of Loom Knitting: Learn to Loom Knit before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Book of Loom Knitting: Learn to Loom Knit:

4 of 4 people found the following review helpful. Just OKBy Diana S. DanielsThis book was just ok. I didn't like the way it was laid out and left me with a lot of questions. If it's not for beginners then it not a problem as it assumes certain knowledge about looms in general. It does have clear directions in the back. I found the patterns rather odd and only one I would have made. Most require more skill than a beginner might have. Looks as though professional models were used too. I found Loom Knitting Primer much better with lots of patterns I wanted to try.10 of 10 people found the following review helpful. Helpful bookBy Donna J. HornakI bought a couple of looms and while they came with directions, I wanted more detail. I think this book is going to be a big help. I'm a knitter/crocheter and wanted to expand to loom knitting. And now I'm starting with socks! It's not as hard as I thought it would be!0 of 0 people found

the following review helpful. Four StarsBy WendyGOOD INFO

Big Book of Loom Knitting: Learn to Loom Knit Knitting looms are amazingly easy to use, and they're available in a wide variety of shapes and sizes. Look at the stylish knits you can create--without knitting needles! All the basic instructions are here. You can make hats, wraps, and a cozy blanket with sleeves (inspired by those popular fleece cover-ups sold on TV!). There are slippers, scarves, a felted tote, and mitts that convert to handwarmers. Kids will go ape over the sock monkey earflap hat and pocket scarf! It's a snap to find the information you need, because the projects include page references for the techniques you'll use. Dozens of photos show how simple it is to make all 18 of these exciting designs by Kathy Norris on round or straight looms!

About the AuthorKathy Norris says her passion for fiber arts began more than 30 years ago when she first started knitting with needles. In recent years, she taught herself to use a knitting wheel (loom) while teaching at an arts and craft store. Her first loom knit designs were created to use in her classes to teach others how to use the loom. Now her designs can be found in various publications. In addition to knitting, she is a bead and crochet artist.
