Jacqui Pearce : Big Stitch Cross Stitch: Over 30 Contemporary Cross Stitch Projects Using Extra-Large Stitches before purchasing it in order to gauge whether or not it would be worth my time, and all praised Big Stitch Cross Stitch: Over 30 Contemporary Cross Stitch Projects Using Extra-Large Stitches:

0 of 0 people found the following review helpful. Colorful cool designsBy CALove this book. The designs are fresh and practical. Love that it gives me ideas of what to do with the stitched designs. Very clear photos and charts. Easy to follow instructions. Colorful designs. Overall good book. Nothing is perfect, so i would love it to have more retro designs like the cassette tape zippered pouch. Maybe a record player cd case or something.0 of 0 people found the following review helpful. which I love. I enjoyed switching to "big" cross stitch and ...By piano momI have done 1

project from this book, which I love. I enjoyed switching to "big" cross stitch and this made it easy, but there aren't that many projects that I liked. 0 of 0 people found the following review helpful. Adorable and easy to make projects
By Francisca Guerra B. Adorable and easy to make projects. I'm an advanced embroiderer but I love the simple projects shown in this book. From my point of view, 100% recomendable :-

Love cross stitch but lacking in patience? Or are you a beginner who would like fast and fabulous designs to stitch? Do you have a larger-than-life love of colourful, hip stitching? Then this is the book for you. Crafty Chic Designer Jacqui Pearce has created a collection of over 30 quick stitch projects in the colourful style which she is well known for. Featuring modern twists on traditional themes, you'll find fabulous designs that can be completed in a blink using tapestry yarn and large count canvas. There's favourites like cushions and pictures, as well as stylish Christmas designs and covetable gifts. Jacqui offers advice on stitching in her stitching school as well as lots of suggestions of variations for the different projects, making this book ideal for seasoned stitchers and fans of needlework, as well as those new to cross stitch.

From the Author
My passion for crafts started at a young age, inspired by my Mom and Grandma. I particularly love to create things where you can get quick but gorgeous results, and as a designer, I love to give familiar crafts a modern twist. This book is an introduction to new generation of cross stitch. Bold, bright and quick to stitch, the patterns have mainly been created with big count bases and wool in mind. However what I love about this craft is that it is adaptable - any of the patterns can be used for more traditional needlepoint or cross stitch bases, so if you have a favourite technique or stash, the choice is yours. But this is my weapon of choice - and I hope that I can inspire you to create some of your own wooly Supersize Stitches
About the Author
Jacqui Pearce is an award winning British designer who describes herself as a Creator and Curator of Nostalgic Chic. Her collections can be found on her lifestyle site PEARL AND EARL (PearlandEarl.com) and her trend led craft brand JACQUI P (JacquiP.com) ... and she can't help but admire and create things which are filled with colour, pattern, nostalgia and a good dose of wit and humour... Her curated inspirations can be seen on her blogs NOSTALGIC CHIC and CRAFTY CHATTER Formally a buyer and design director in the fashion world - she left her day job in 2004 and produced her first collection (of knitwear), which went into Selfridges London. Named as one of the "Top 5 Coolest Stitchers on the Planet", she often collaborates with like minded folk on different things.. and has found herself on the leading edge of the craft revolution.
