From Oxford University Press : Biological Control of Weeds: A World Catalogue of Agents and their Target Weeds before purchasing it in order to gauge whether or not it would be worth my time, and all praised Biological Control of Weeds: A World Catalogue of Agents and their Target Weeds:

Interest has increased rapidly in using biological control as an ecologically sound, but cost-effective method of weed control. This catalogue provides a comprehensive reference source to all attempts at biocontrol of weeds and includes literature references up to 1991.
