Bird Origami will have you folding paper like a duck takes to water. You won't have to wing it when you follow the detailed, illustrated instructions to flush out twenty popular species, including mallards, hummingbirds, sparrows, seagulls, and finches. Specially designed paper makes these beauties realistic! Field guide information introduces each species, from crows to cardinals, from pelicans to geese. The bluebird of happiness will be singing from your fingers

in no time!
